# 14<sup>th</sup> World Meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology

Dear Colleague,

The PBP World Meeting gives young researchers a perfect stage to present their work. Poster presentations, lectures and discussions help to promote their research findings and careers. Students and young scientists have the opportunity to learn from invited speakers in hot topic sessions. The special registration fee for students which is significantly lower than the costs enables young academics to attend the meeting.

Therefore we would highly appreciate if your company could contribute to the meeting as a sponsor. The attractive sponsorship packages spotlight your company and your products. Increase your visibility and communicate your brand values to your target group in the pharmaceutical scene before, during and after the meeting.

Please have a look at the following pages, describing various possibilities to contribute to this meeting. Our support structure offers you a variety of packages starting from € 1.000. To discuss any of the sponsorship and exhibition opportunities in more detail or if there is a promotion your organisation is interested in doing, but is not included, please contact APV Headquarter: **Ms Anna-Maria Pötzl, e-mail: [ap@apv-mainz.de](mailto:ap@apv-mainz.de), phone: +49 6131 97 69 10.**

We are also delighted, if you would like to support our meeting with a funding or donation. Please get in touch with us for more details. Are you interested? The sponsoring application form can be found on our homepage: [www.worldmeeting.org](http://www.worldmeeting.org). Fill it out and send it to Anna-Maria: [ap@apv-mainz.de](mailto:ap@apv-mainz.de).
